The History of Greens

Born over 35 years ago thanks to the Kermode family, Greens was originally a vegetarian café at the Douglas Railway Station.

It quickly became a beloved local eatery serving up kale long before it became cool.

Now with a broader menu to suit everyone, we still stay true to our roots in fresh, home-cooked food!

In 2023, Woodbourne Kitchen took over the café and we've worked to keep everything you love - the same warm welcome, recipes, and yes, the same legendary yoghurt cake!
